

Homework Policy at SKT International School (CITY CAMPUS)

1. Purpose

The purpose of homework at SKT International School (CITY CAMPUS) is to:

- Reinforce and extend learning from the classroom.
- Develop independent study skills and responsibility.
- Foster a partnership between home and school in supporting student learning.
- Prepare students for future educational endeavors.

2. Types of Homework

Homework at SKT International School (CITY CAMPUS) may include:

- Practice exercises to reinforce skills taught in class.
- Reading assignments to promote literacy and comprehension.
- Project-based tasks to encourage creativity and critical thinking.
- Research assignments to explore topics in greater depth.

3. Homework Guidelines

- Homework assignments will be appropriate to the age and developmental stage of the students.
- Teachers will provide clear instructions and expectations for homework tasks in the classroom as well as on the classdojo learning platform.
- Homework assignments will be purposeful and relevant to the curriculum.
- Students will be given adequate time to complete homework assignments.
- Parents/guardians are encouraged to provide support and guidance to their child but should avoid completing homework tasks on their behalf.

4. Frequency and Duration

The amount of homework assigned will be reasonable and developmentally appropriate.

Subject	Duration for Year 2,3, ESL	Duration for Year 4 - 6	Frequency	Remarks
English	5-10 minutes per night	10-15 minutes per night	Minimal once a week	This may include reading assignments, spelling practice, writing short paragraphs, or workbook or worksheet exercises.
Myanmar Language	5-10 minutes per night	10-15 minutes per night	Minimal once in two weeks	This may include reading assignments, spelling practice, writing short sentences or paragraphs.
Mathematics	5-10 minutes per night	10-15 minutes per night	Minimal once a week	This may involve practicing basic arithmetic, solving word problems, or working on workbook or worksheet exercises that reinforce classroom learning.
Science and Social Studies	5-10 minutes per night	10-15 minutes per night	Minimal once in two weeks	Homework in these subjects may include reading passages, answering questions from workbook or worksheet exercises, or completing simple research projects.
Art, music, PE, ICT	5-10 minutes per night	10-15 minutes per night	Minimal once in a unit / concept	Homework in these subjects may involve practicing skills learned in class or completing small projects related to the subject.

5. Feedback and Assessment

- Teachers will provide feedback on homework assignments to support students' understanding and progress.
- Homework may be assessed for completion, effort, or understanding, depending on the nature of the assignment.
- Feedback will be constructive and supportive, focusing on areas for improvement.

6. Homework Support

- Teachers will be available to clarify homework assignments and provide additional support as needed.

- Resources and materials to support homework will be accessible to students both in school and at home.

7. Homework and Wellbeing

- Homework should not cause excessive stress or interfere with students' wellbeing.
- If a student consistently struggles to complete homework, parents/guardians are encouraged to communicate with the teacher to address any concerns.

8. Homework and Special Circumstances

- Teachers will consider students' individual circumstances, such as family responsibilities or extracurricular activities, when assigning homework.
- In cases of extended absences or special needs, accommodations may be made in consultation with parents/guardians and relevant support staff.

9. Implementation and Review

- The homework policy will be communicated to all stakeholders, including teachers, students, and parents and guardians.
- Feedback from teachers, students, and parents/guardians will be considered in the review process to ensure the policy remains effective and relevant.
